Dear Parent/Carer,

Thank you for your support in contacting the school regarding reporting any absence that might be potentially linked to Coronavirus, this information has been vital in enabling us to accurately record and monitor the number of pupils who are isolating due to potential symptoms.

Out of school hours (evenings, weekends and holidays) it is still important that we quickly identify any pupils that would need to self-isolate for the following reasons:

- Temperature
- New and persistent cough
- Loss of smell or taste
- Your child is being tested for Coronavirus
- Your child has tested positive for Coronavirus
- A family member that your child has been in contact with is being tested for Coronavirus
- A family member that your child has been in contact with has tested positive for Coronavirus

If any of the above reasons apply to your child out of school hours, please contact the school using the following email address (please also inform us of any negative test results):

GH-Enquiries@ipmat.co.uk

If your child or any family member has symptoms of Coronavirus or has tested positive (or negative) and we are in school hours, please contact the school office as normal on 01977 702261 or use the email address shown above.

Yours sincerely
