

Girnhill Infant School Pupil Premium Strategy Overview 2017-2018

At Girnhill Infant School we receive additional funding to spend in a way we think will best support raising the attainment and diminishing differences for our most vulnerable pupils. This money is called Pupil Premium Funding. It is calculated on the number of children in our school who have been registered as eligible for free school meals in the last 6 years, any children who are looked after in care and any children from our Armed Forces families. In 2017/18, School has been allocated £53,400 pupil premium funding. This Pupil Premium Strategy explains how school intends to spend the funding, why such decisions have been made and what we expect the impact of this to be.

The 2017-2018 Pupil Premium Strategy was agreed in July 2017 and it will be reviewed in July 2018.

Number of pupils and pupil premium grant (PPG) received 2017/2018	
Total number of pupils eligible for PPG	40
Total amount of PPG received	£53,400

Summary of the main barriers to educational achievement faced by eligible pupils at school.

1. **Attendance and Punctuality** – A greater proportion of pupil premium children require additional support to achieve good attendance above 97% and to also ensure they come to school on time.
2. **Parental Involvement** – A greater awareness of the expectations of each key stage and year group and to encourage a partnership in learning.
3. **Speech and Language upon entry to school** – A greater proportion of our pupil premium children require speech and language support when they enter school.
4. **Insufficiently prepared to access learning** – significant proportion of children enter school with social and emotional need.

Summary of PPG spending 2017 - 2018

Objectives in spending PPG:

1. To diminish differences in progress and attainment between pupil premium and other children.
2. To increase % of pupil premium children achieving age related expectations or making good progress from their relative starting points in reading, writing and maths across school.
3. To ensure all pupil premium children have a positive and proactive attitude towards their learning.
4. To ensure pupil premium attendance is in line with other children's.
5. To ensure all vulnerable children are happy and settled in school and ready to access all learning opportunities.
6. To provide enhanced curricular opportunities – in order to provide opportunities for application of basic skills, consolidate learning and deepen understanding.

Summary of spending

1. Attendance & Family Support = £21,400
2. Extending the Curriculum = £1,000
3. Intervention Support = £22,500
4. Parental Involvement = £2,000
5. Communication and Language = £6,500

Record of PPG spending by item / project 2017/2018				
Item/project	Cost	How funding will be spent to address barriers.	Rationale behind the use of funding.	Outcome July 2018
